

# iCall™

The best call you'll ever make

## Drastically reduce your phone bill...

Subscribe to iBurst's voice service now!

The iCall™ service is a telephony service operating on the iBurst network, which can be used as an alternative to your standard landline.

### Benefits

- No telephone line required
- Quick activation
- Free iCall™ to iCall™ calls
- Over 50% savings on selected international destinations
- Peak and off peak savings
- Portability within coverage areas
- Control your costs

### All you'll need is either:

- **iBurst Webfone** - an all-in-one hardware device which includes an iBurst modem, telephone, electronic fax\* and email system

OR

- **An iBurst modem used in conjunction with one of the following:**
- **VoIP Phone**- a phone that allows you to make calls over an Internet connection
- **Analogue Phone with VoIP gateway**- a standard phone that plugs into a VoIP Gateway
- **iBurst VoIP Router** - a modem like device that gives you high speed network connection wirelessly

All it takes to join the iBurst voice network is a subscription fee of R50.00 per month which includes free calls to all iCall™ subscribers, an iCall™ telephone number and itemised billing.

iCall™ Vouchers can be purchased in denominations of R100.00 or R200.00 and used to make local, national, international and mobile calls.

Prices include VAT.

Terms and conditions available on [www.iburst.co.za](http://www.iburst.co.za).

\*Fax facilitated with iBurst Fax2Email (free) and Virtual Fax.
